

ANNUAL CAMPUS CRIME REPORT

InterCoast Colleges

Online Campus October 2016

The VP of Compliance and Academics prepares this report to comply with the Disclosure of Campus Security Policy and Crime Statistics. This report is prepared obtaining available information from the local law enforcement agencies surrounding our campus, the President's Office, the Student Services Office, and the Campus President's Office. Each entity provides updated information on their educational efforts and programs to comply with the campus security requirements.

Campus crime, arrest and referral statistics include those reported to designated campus officials (including but not limited to directors, department heads, designated staff, student services coordinators and advocates), and local law enforcement agencies.

Each year, enrolled students are provided with access to this report, either in the financial aid office or by e-mail notification. Faculty and staff receive similar notification with their paycheck, email or hand delivery. Copies of the report may also be obtained at the Campus President's Office, website: www.intercoast.edu or by calling the Corporate Office at (818) 672-2100. All prospective employees may obtain a copy from the Business Office, website: www.intercoast.edu or by calling (818) 672-2100. The information is provided with the employment applications, if requested. Notification of the availability of this report is located in the school catalog.

Timely Warnings

In the event that a situation arises, either on or off campus, that, in the judgment of the College President, constitutes an ongoing or continuing threat, a campus wide "timely warning" will be issued. The warning will be issued through the college e-mail system to students, faculty, and staff. Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, letters may be issued to active students, staff and faculty. This will allow for a more immediate notification. In such instances, a copy of the notice is posted in the student lounge. Anyone with information warranting a timely warning should report the circumstances to the President office, by phone (818-672-2100) or by email at geeta.brown@intercoast.edu. Telephone notification is preferred, as it allows immediate response time from the President's Office.

To report a crime Contact the Campus President's Office at **310-847-8400** or President's Office at **818-672-2100** (non-emergencies), or dial 9-1-1 (emergencies only). Any suspicious activity or person seen in the parking lots or loitering around vehicles, inside buildings or around the Campus should be reported immediately to the Campus President or manager on duty or the local police department. In addition you may report a crime to the following areas: Presidents Office: **818-672-2100** Campus President's Office: **310-847-8400** Off-campus options, contact: **Your local police department.**

Confidential Reporting Procedures

If you are the victim of a crime and do not want to pursue action within the School System or the criminal justice system, you may still want to consider making a confidential report. With your permission, the Campus President or a designee of InterCoast Colleges can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the School can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the institution.

Crime Reporting Procedures

All members of the campus community are encouraged to report crimes which occur on the campus to the Campus President; ideally as soon as possible following discovery of the offense. The Campus President will ask questions to gain as much information as possible. It's important for the Campus President to determine; What happened? Where it happened? When it happened? Is/was a weapon involved? Is/was a vehicle involved? What did the suspect look like? Is the suspect still there? Was anyone injured? In the case of a reported crime, a local Police Officer will then respond, investigate and may complete a written report. He or she may completely investigate the incident, including the arrest of the responsible party, or may conduct an initial investigation and forward the case to Detectives/investigators for further action. Criminal charges, if warranted, are either filed directly with the courts or through the District Attorney's Office.

Working Relationship with Other Law Enforcement Agencies

InterCoast enjoys an excellent rapport and effective relationship with allied law enforcement agencies. Should a major crime occur on campus that exhausts the resources of InterCoast's Campus Security Authority, the Online Police Department shall be asked to assist with their resources.

Emergency Response and Evacuation Procedures

Notification of Campus Emergencies: InterCoast will, without delay and upon confirmation of a significant emergency or other dangerous situation involving an immediate threat to the health or safety of students or employees occurring on or affecting the campus, use any one or a combination of several methods to notify as many people as possible in a timely manner. InterCoast students, faculty and staff may use the institution's internal intercom system or opt to receive text and/or e-mail emergency notifications.

InterCoast Authorities may delay notification in cases in which, in the professional judgment of responsible authorities, immediate notification would compromise efforts to assist victims or to contain, respond to or otherwise mitigate the emergency. InterCoast will evaluate the circumstances of an event and will assign the appropriate priority based on safety considerations for life, property and environment, in that order. In-progress events will generally take priority over events that have just occurred or that have occurred at some earlier point in time. Actual, occurring events will generally take priority over similar events that may potentially occur in the future. The content and scope of the notification will be determined at the earliest possible point in an event, and the notification may be initiated by the Campus President, Staff or Faculty, as determined by the particular circumstances. The scope of the notification – who/which segments of the community will be notified – will be determined by the same people, and will reflect the nature and scope of the event. An event contained in a small area or a single room will likely dictate a smaller scope of notification than would an uncontained or dynamic event. Subsequent notifications to the larger community will generally be made by the Campus President.

Access Policy

During business hours, the School will be open to students, parents, employees, contractors, guests, and invitees. During non-business hours, access to all facilities is by key, if issued. In the case of periods of extended closing, the College will admit only those with prior written approval to all facilities. Some facilities may have individual hours, which may vary at different times of the year. Examples are the Resource Room and Conference Rooms. In these cases, the facilities will be secured according to schedules developed by the Campus President. Emergencies may necessitate changes or alterations to any posted schedules.

Law Enforcement

InterCoast employees on duty have the authority to ask persons for identification and to determine whether individuals have lawful business at the School. Designated Employees have the authority to ask persons without lawful business at the School to leave the premises. These employees have the authority to contact the police should individuals who have no business at the School refuse to leave the premises. Criminal incidents are referred to the local police. All crime victims and witnesses are strongly encouraged to immediately report the crime to campus Authorities and the appropriate police agency. Prompt reporting will assure timely warning notices on-campus and timely disclosure of crime statistics.

General Procedures for Reporting a Crime or Emergency

Community members, students, faculty, staff, and guests are encouraged to report all crimes and public safety related incidents to the President's Office in a timely manner. To report a crime or an emergency on the campus after normal hours, dial 911. Non-emergency after hours, contact your **Police Department**. To report a crime or an emergency on the campus or a nonemergency matter during normal business hours, contact the Campus President at **310-847-8400** or the President's office at **818-672-2100**. Someone is available at one of these respective telephone numbers during normal business hours to answer your call. In emergency situations after hours, call the local police department. In response to a call, the appropriate personnel will take the required action, asking the victim to report to the Campus President's office to file an incident report.

All incident reports are followed by the Campus President for review and potential action. The Campus President, after consultation with the President, will investigate a report when it is deemed appropriate. Additional information obtained via the investigation will also be forwarded to the President. If assistance is required from the Police Department or the Fire Department, the appropriate unit will be contacted. If a sexual assault or rape should occur, staff on the scene, will offer the victim a wide variety of services.

Security Awareness Programs and Crime Prevention Programs

InterCoast strives to emphasize proactive measures in order to minimize the need for reactive responses. We must all take responsibility for our own safety and the safety of others. Promptly and accurately reporting any and all criminal acts, dangerous situations and suspicious behaviors greatly assists in the provision of a safe campus community.

The following are descriptions of InterCoast's security awareness programs provided to InterCoast students during enrollment and faculty/staff upon hire on an annual basis distributed no later than October 1st of each year:

- During enrollment, students are informed of the campus crime statistics, security and where to report crimes. Students are given information crime on-campus and in the immediate surrounding neighborhood. Similar information is presented to new employees.
- Student Orientation & Faculty Orientation: Through the use of flyers, brochures, pamphlets and other initiatives, tips on personal safety while on campus and in the surrounding community, information on registering bicycles and computers at local police department, and information regarding local laws and regulations.
- Clery Act Campus Security Authority training: In-person and online training provided to all Campus Presidents and/or other

appropriate staff regarding responsibilities under the Clery Act and mechanisms in place to report Clery-related offenses. This training is provided in compliance with the mandatory training provisions of the Clery Act.

- Crime Prevention Programs and Sexual Assault Prevention Programs are offered periodically. A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others.

Sex Offenses, Domestic and Dating Violence, and Stalking

The following information is InterCoast's policy on Preventing and Addressing Sexual Assault, Domestic Violence, Dating Violence, and Stalking.

In accordance with federal law, InterCoast does not discriminate on the basis of sex/gender in its educational programs and employment. Sexual assault, dating violence, domestic violence, and stalking are forms of sex/gender discrimination and are violations of criminal law in addition to prohibited offenses by InterCoast.

InterCoast will not tolerate domestic violence, dating violence, sexual assault, stalking, or other forms of sexual misconduct. Offenders may be subject to appropriate internal investigative processes, disciplinary action, and/or criminal proceedings. InterCoast utilizes procedures that provide prompt, fair, and impartial investigation and resolution in cases involving domestic violence, dating violence, sexual assault, and stalking. These procedures are carried out by officials who receive specific annual training. Sexual violence is a form of sexual harassment and services are available to students, faculty, and staff who experience sexual violence, domestic violence, dating violence, and instances of stalking. In these situations, InterCoast is committed to providing crisis intervention measures for students, faculty, and staff, as well as appropriate administrative response for the complainant and respondent; referring individuals to criminal authorities; and educating and promoting discussion on interpersonal abuse and violence issues. InterCoast prohibits retaliation by its officers, employees, students, or agents against a person who exercises his or her rights or responsibilities under any provision federal or state law.

InterCoast's intent is to promote an environment at InterCoast's campus which is free of sexual assaults, domestic violence, dating violence, and stalking. To accomplish this, InterCoast provides comprehensive education and prevention programs that inform the students/faculty and staff about the risks and myths that contribute to sexual assaults, domestic violence, dating violence, and stalking. Procedures sensitive to victims in responding to reports of alleged sexual assault, domestic violence, dating violence, or stalking, including informing victims about their right to file criminal charges as well as the availability of medical, counseling, and support services, and alternative remedies such as housing and academic accommodation, if reasonably available; and InterCoast disciplinary sanctions for those who commit sexual assault, domestic violence, dating violence, and stalking.

Training is provided to selected InterCoast personnel to provide support, education, and counseling referrals to victim-survivors. InterCoast continually evaluates trainings and education offered to ensure that all processes continue to meet required standards.

Reporting Sexual Assault, Domestic Violence, Dating Violence, and Stalking

Victims of sexual assault, domestic violence, dating violence, and stalking should get to a place of safety immediately and should obtain necessary medical treatment at once. Victims should report the incident as soon as possible, since time is a critical factor for evidence collection and preservation.

Victims should report incidents of sexual assault, domestic violence, dating violence, and stalking occurring on Campus immediately to the Campus President or calling 911. Sexual assaults, domestic violence, dating violence, and stalking occurring off-campus should be reported to local law enforcement by calling 911. InterCoast personnel will assist the victim in notifying local authorities and receiving the necessary medical treatments and tests, if the victim so requests. Filing a police report provides the opportunity for the collection of evidence and assures the victim access to confidential counseling. Reporting an incident of sexual assault, domestic violence, dating violence, and stalking does not require prosecution of a crime, nor will it subject the victim to judgment or scrutiny.

Persons wishing to file a complaints of sexual assault, domestic violence, dating violence, or stalking will be directed (and, whenever possible, escorted) to the office of the Campus President which is primarily responsible for supervising the Campus's investigations of these complaints. In cases involving sexual assault, the Local Police Departments will be contacted upon the accuser's request and generally will lead any criminal investigation. All complaints will be treated confidentially consistent with applicable legal requirements and customary law enforcement practices.

InterCoast recognizes that sexual assault, domestic violence, dating violence, and stalking may also be considered sexual harassment. In order to remedy any hostile environment, sexual harassment complaints will be investigated by the Campus President. All conduct proceedings against students, however, will be resolved through the VP of Student Affairs. All discipline for employees will be addressed through the appropriate disciplinary process.

InterCoast will protect the identity of persons who report having been victims of sexual assault, domestic violence, dating violence, or stalking to the fullest extent of the law.

Bystanders play a critical role in the prevention of sexual and relationship violence. If you are an individual, who witnesses violence or conditions that perpetuate violence. Immediately dial 911.

Affirmative Consent Law

InterCoast acknowledges affirmative consent as a standard in the determination of whether consent was given by both parties to sexual activity. "Affirmative consent" means affirmative, conscious, and voluntary agreement to engage in sexual activity. It is the responsibility of each person involved in the sexual activity to ensure that he or she has the affirmative consent of the other or others to engage in the sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent.

Drug and Alcohol Abuse Prevention Policy

In accordance with the Drug Free Schools and Communities Act, InterCoast prohibits the unlawful possession, use, or distribution of illicit drugs and alcoholic beverages by students on its property or as part of any of its activities. Any student who is involved with the unlawful possession, use, or distribution of illicit drugs or alcohol is subject to expulsion from school and referral for prosecution for violations of applicable local, state, and/or federal laws. Students are encouraged to seek help, if needed, by contacting the Education Director or designee for a list of professional treatment centers in the local area. Conversations are held in strict confidence.

Student and Employees

Students and employees are prohibited from the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance or alcohol anywhere on property belonging to the school including grounds, parking areas, anywhere within the building(s), or while participating in school-related activities. Students or employees who violate this policy will be subject to disciplinary action up to and including expulsion or termination of employment.

As a condition of enrollment or employment, students and employees must abide by the terms of this policy or InterCoast will take one or more of the following actions within 30 days with respect to any student or employee who violates this policy:

- 1) Report the violation to law enforcement officials.
- 2) Take appropriate disciplinary action against such student or employee, up to and including expulsion or termination of employment.
- 3) Require such student or employee to participate in a substance abuse rehabilitation program approved for such purposes by a federal, state, local health, law enforcement, or other appropriate agency.

In compliance with the law, InterCoast will make a good faith effort to maintain a drug and alcohol free school and work place through implementation of the preceding policy and will establish and maintain a drug and alcohol free awareness program.

We are providing the facts, health risks, and sanctions associated with unlawful use, possession, or distribution of illicit drugs and alcohol and consider their content an integral part of our drug-free school and work place policy.

Substance Abuse Education

PREVENTION PROGRAMS The School has developed a program to prevent the illicit use of drugs and the abuse of alcohol by students and employees. The program provides services related to drug use and abuse including dissemination of informational materials, educational programs, counseling services, referrals and school disciplinary actions. Many services are deferred to other areas of the community and are coordinated through the school. These include:

Alcohol and Drug Education: Please see the Campus President for a list of referral resources. **Counseling Services:** Please see the Campus President for a list of referral resources. **College Disciplinary Actions:** School Appeals Committee

Health Risks

The abuse of alcohol and the use of illicit drugs are known to be detrimental to one's psychological well-being and are associated with a wide variety of health risks. Among known risks are severe weight loss, malnutrition, physical and mental dependence, changes in the reproductive system, damage to the lungs, liver, brain, and even death. Secondary health risks include an increased risk of injury by accident or violence. **National Institute on Drug Abuse (NIDA)** Web site (www.drugabuse.gov) provides information on all aspects of drug abuse, particularly the effects of drugs on the brain and body, prevention of drug use among children and adolescents, the latest research on treatment for addiction, and statistics on the extent of drug abuse in the United States. The Web site allows visitors to print or order publications, public service announcements, posters, science education materials, research reports and fact sheets on specific drugs or classes of drugs, and the NIDA NOTES newsletter.

LOCAL, STATE & FEDERAL LEGAL SANCTIONS

In addition to InterCoast sanctions, students and employees are subject to appropriate Federal and State laws, which provide for fines and/or imprisonment for the unlawful possession, sale, or distribution of drugs and alcohol. The fines and/or imprisonment may vary according to the type and amount of substance involved, the offender's past record for such offenses, and a variety of other factors.

Legal Sanctions – Laws Governing Alcohol in the State of California sets 21 as the minimum age to purchase or possess any alcoholic beverage. It is unlawful to sell, furnish or provide alcohol to a person under the age of 21. The possession of alcohol by anyone under 21 years of age in a public place or a place open to the public is illegal. A violation of any law regarding alcohol is also a violation of the School's Code of Conduct and will be treated as a separate disciplinary matter by the School.

Sexual Assault Prevention and Response

The College provides education through community resources about sexual assaults and date rape. Students and employees of the Maine Campus can call the **California Coalition on Domestic Violence at 1-800-524-4765** for additional referrals, or **RAINN at 1-800-656-HOPE** to find a rape crisis center in their area. This organization also offers sexual assault education and information programs to College students and employees upon request. Literature on date rape education and sexual assault materials are available through the President's Office at 818-727-1212.

If you are a victim of a sexual assault at this institution, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. The Administration strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to a school official or the police. Filing a police report will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers or school staff. Filing a police report will 1. Ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim 2. Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam) 3. Assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

When a sexual assault victim contacts a school official, the City Police will be notified. A representative from the President's office will also be notified. The victim of a sexual assault may choose for the investigation to be pursued through the criminal justice system. A representative from the President's office will guide the victim through the available options and support the victim in his or her decision. Various counseling options are available from the school through the Campus President's Office. Counseling and support services outside the school system can be obtained through **RAINN at 1-800-656-HOPE** or through the **California Coalition on Domestic Violence at toll free 1-800-524-4765** or other resources available at the school. Ask for the Resource Directory. School disciplinary proceedings, as well as special guidelines for cases involving sexual misconduct, are detailed in the Student Catalog.

Sex Offender Registration

Information is provided to students upon request of where to find information on a Sex Offender list or registry. The State establishes a website as the official internet public access to the sex offender registration computerized database. In California, the website is www.meganslaw.ca.gov or the national registry at <http://www.nsopr.gov>. Registry information provided under this section shall be used only for the purposes of the administration of criminal justice, screening of current or prospective employees, volunteers or otherwise for the protection of the public in general.

ACKNOWLEDGEMENT AND RECEIPT

CAMPUS CRIME DISCLOSURE

I hereby certify that I have received the InterCoast Colleges Campus Crime Report for the Online ICC Campus for the reporting period of January 1, 2015 to December 31, 2015.

The institution obtained its data from internal records and the local police department records.

DRUG AND ALCOHOL USE POLICY

In accordance with the Drug Free Schools and Communities Act, InterCoast prohibits the unlawful possession, use, or distribution of illicit drugs and alcoholic beverages on its property or as part of any of its activities. Any student who is involved with the unlawful possession, use, or distribution of illicit drugs or alcohol is subject to expulsion from school and referral for prosecution for violations of applicable local, state, and/or federal laws. Students are encouraged to seek help, if needed, by contacting the Campus President or designee for a list of professional treatment centers in the local area. Conversations are held in strict confidence. The institution conducts a bi-annual review of its drug and alcohol abuse prevention policy and maintains records of its review.

FERPA

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. The Family Rights & Privacy Act prohibits an institution from releasing school records or any other information about a student to any third party without the student’s written consent. InterCoast protects the privacy of all students. Students are guaranteed right to access to their own files. Student files are maintained for five years from the date of graduation or withdrawal. Effective January 1, 2010, student transcripts are maintained indefinitely.

ANTI-DISCRIMINATION POLICY

InterCoast desires to create and sustain an anti-discriminatory environment and will not tolerate discrimination of any kind. Discrimination on the basis of gender religion, disability, race, color or descent, or national or ethnic origin, sexual preference, or age is unacceptable behavior and InterCoast is committed to an environment free of discrimination. Full details of the policy, offenses, complaint procedure, and remedies are published in the school policy that all students and employees receive upon enrollment/hire.

ANTI-HARASSMENT POLICY

InterCoast Colleges is committed to providing a workplace free of sexual harassment (including harassment based on gender, pregnancy, childbirth or related medical conditions), as well as harassment based on such factors as race, religion, national origin, ancestry, age, physical disability, mental disability, medical condition, marital status, sexual preference, family care leave status or veteran status. Full details of the policy, definition, non-retaliation policy, prevention, investigation and remediation procedures, and reporting procedures are published in the school policy that all students and staff receive upon enrollment/hire.

COPYRIGHT POLICY

InterCoast prohibits the illegal copying of copyrighted texts, publication, documents, and computer software or peer to peer file sharing. Instructors may only copy portions of texts for single use as handouts to illustrate lesson plans, as permitted by federal copyright law. Students may not illegally copy texts or software for distribution, use, or sale. If this policy is violated, the person responsible will be subject to disciplinary action, up to and including termination.

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement. Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For “willful” infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys’ fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense.
