Job Placement Rates (includes data for the two calendar years prior to reporting)

NOTE: For this cohort, employment positions were not tracked and published to include the United States Department of Labor’s Standard Occupational Classification codes using the Detailed Occupational level; therefore, we were instructed by the BPPE to enter ZEROS for Placement and Salary Data this year. Because of the change in the Bureau’s reporting regulations, which became effective on July 14, 2016, this institution was not required to collect the data for its 2015 and prior graduates. With the new regulations for job placement and salary/wage data, the Bureau will expect the school’s reporting for December 1, 2019 to comply fully for its 2018 and 2017 reporting years.
